Experience the thrill and rewards of working in a student program at Smithsonian Facilities, the largest organization in the Smithsonian. There's no limit as to how far our opportunities can take you. At Smithsonian Facilities, you'll have the opportunity to gain insight into the different facets of facilities and engineering, explore new career avenues and acquire lifelong skills.

Each Intern through this program will:
• Contribute their talents in support of the Smithsonian’s mission
• Develop & present their project to senior leaders
• Engage in hands-on projects

Smithsonian Facilities Mission
Smithsonian Facilities provides world-class stewardship of Smithsonian buildings, gardens, and facilities -- operating, maintaining, and ensuring a safe, secure, healthy environment that enhances the Smithsonian experience for all.

Why Choose an Internship with Smithsonian Facilities?

• 10-16 weeks of a once in a lifetime internship
• Hands on experience
• Spend your time in the nation’s capital
• Professional development opportunities
• Networking with fellow interns and industry professionals
• Contribute your talents to the largest research and museum facility in the world
• “Back of the house” tours never seen by the public
• Join the community of over 1,300 annual Smithsonian interns
